

# A VIRTUAL Substance Abuse Prevention Parent Education Program sponsored by:

## The Partnership For A Drug-Free New Jersey

### [PRE-RECORDED PRESENTATION LINK](#)

In addition to viewing the presentation, please check out the parent resource guide that is included in the link.

Check Out [www.drugfreenj.org](http://www.drugfreenj.org) for more information

*The PDFNJ presentation is supported by research which demonstrates that kids who communicate regularly with their parents about their daily activities are 67% less likely to be involved with substance abuse than children who have little or no communication.*

#### **This presentation covers topics such as:**

- Talking to your kids about drugs and alcohol
- Effects of specific drugs
- Strengthening parenting skills
- Utilizing teachable moments
